Worship – You can dance along with us at home visit our website.

Memory Verse – Each unit your children will be memorizing scripture. The younger children's scripture has been adapted to help with their success. It is our desire that God's word would be planted in each of our children's hearts.

Activity – Each week we will incorporate different activities into our lessons we want kids to have joy and for Hopekids to be a safe & fun place to learn more about who God is and how much he loves them.

Prayer – We hope that children will develop a relationship with Jesus where they talk to him all day long.

Lord's Prayer – We recite the Lord's Prayer each week. It is our goal for all children to not only be able to speak the Lord's Prayer, but to also know what they are saying when they pray the prayer Jesus taught us. We teach children actions to help them put meaning to the words.
