

TIPS FOR HOPETOTS PARENTS & GUARDIANS:

Check In - Go to a kiosk near the Hopetots Room & write your child's name on a label.

1. Place the label on your child's back (make sure that they have a fresh diaper on!)
2. A Staff Person will meet you at the kiosk & will highlight your child's name & make sure we have the correct cell phone number. This is how we will contact you if we need you to return to the Hopetots' Room during service.
3. Take a photo of your child. You will show this photo to pick up your child.
4. Your child will then join for a pre-activity – something fun & different to engage them. Parents are welcome to stay with your child to acclimate them to the setting. We also encourage parents to volunteer a few times a year.
5. Welcome Songs & Prayer Time
6. Bibles Story

7. Activities & Games to encourage a fun learning environment.

Hopetots is a place we want them to be loved & to have fun!

8. Music/Worship Time

Pick Up – Our program runs approximately 50 – 55 minutes depending on the length of worship. We ask that you wait for a staff person to come to the door to start picking up children. Please have your child's photo up & ready on your phone to show staff. They will have someone bring your child to you & will initial that you have picked up.
